Trinity Rescue Mission

— MEN's PROgRaMs —

Men's Overnight shelter and Meals – The *first step* of the road to recovery is the Guest Services Program. Food, shelter, spiritual care and referrals are some of the services provided. The goal of this program is to share the love of Christ through works and words.

Lifeline Program – The *second step* on the road to recovery is the Lifeline Program. This is a 60-day residential program offered free of charge for those interested. Upon completion of the Lifeline Program, other programs are made available. The goal is to break the cycle of addiction and homelessness.

Freedom Farm – The *third step* on the road to recovery is the Freedom Farm Program. This program is a 6-9 month intensive, residential discipleship program. The goal of this program is to train and empower men to live in victory.

Transitional Housing – The *fourth step* on the road to recovery is the Transitional Housing Program, which provides a Freedom Farm graduate time to transition from supervised living to independent living with intensive support services. *The goal is to promote individuals to become Godly, productive members of our community.*

When a person completes all of the programs and enters into transitional housing, they are well on their way to a life free from the dangerous situations of homelessness and addiction, to the victorious life that can be found through Jesus Christ.

— WOMEN's PROGRAMS —

Lifeline – A 65-day residential program designed to break debilitating cycles that lead to defeated lives and homelessness. Primarily functions as a drug and alcohol rehabilitation, but is also useful to anyone who needs to re-establish life for any reason. It is offered free of charge.

shelter services – A 60-day program designed to stabilize the family unit, make a detailed assessment of their current life situation, and encourage clients to obtain childcare, employment and housing. Free for women for the first 30 days, after which there is a \$50 per week program support fee required for continued program eligibility.

Transitional Housing – Four beds on-site serve as transitional housing. Clients are free to choose their own schedule but have an 11 pm curfew on the weekdays and 12 am curfew on the weekends. To be eligible for Transitional Housing, clients must be working and have completed the Case Management Program.
