

# I'M NOT ALONE

MADALINE HILL, JONATHAN BERLIN

## Verse 1

In Your presence I will hide  
Sheltered through the darkest night  
Consume me with Your light  
I'm not alone  
I'm not alone

## Verse 2

There is nowhere I could run  
To escape Your perfect love  
By Your mercy I'm undone  
I'm not alone  
I'm not alone

## Chorus

In my weakness  
You are strong  
In my fear, Lord  
You're my Guardian God  
You're my shelter  
When the thunder roars  
You are mine and I am Yours

## Bridge

Your love is stronger than diamonds and steel  
Your love is steadfast through all that I feel  
Your love is worthy of all I can bring You praise
