

# BEAUTIFUL JESUS

*BEN WILLIAMS, JONATHAN BERLIN*

## **Verse 1**

We are amazed by You  
And all the ways You move  
Our desire is sure  
To glorify You, Lord

## **Pre Chorus**

And we know You're here with us  
Come and shine Your light on us

## **Chorus**

Beautiful Jesus, You're enough for me  
Healer of the broken, Savior of the weak  
Love Your Holy Presence, fall down at Your feet  
Beautiful Jesus

## **Verse 2**

And when the storms they rage  
I'm steadfast in my faith  
In You I'm anchored sure  
I stand beside You, Lord
