

BEFORE ALL THINGS

GRETCHEN MARTIN, JONATHAN BERLIN, ANTON PATZNER

Verse 1

We look to You, God
Creator and King
We look to Your Son
The reason we breathe
Invisible One
You cannot be seen
Above and below
The universe sings

Pre Chorus

For You our finest gifts we bring
To You our praises we will sing

Chorus

You go before all things
The Highest Authority
Beginning and End we see
You go before all
You go before all things

Verse 2

From Heaven to Earth
In fullness You came
The cross to the grave
You took all my shame
From death to Your throne
Forever You reign
All rulers and kings
Will bow and proclaim

Bridge

To You
Through You
By You we live
For You
Glory
And honor
We give
