

WHERE THE SPIRIT OF THE LORD IS

JONATHAN BERLIN, RYAN BRITT, ANTON PATZNER

Verse 1

Where the Spirit of the Lord is
I fear no pain
I fear no hurting
It's all been washed away

Where the Spirit of the Lord is
I fear no blame
I fear no suffering
It's all been washed away

Pre Chorus

So I will run
Run til I get back to Your arms
Til I get back to Your heart
And I will run
Run til I get back to Your arms
Til I get back to You

Chorus

You are everything
The Life Source, the Wellspring
Angels and Saints proclaim
You are the light the way

Verse 1

Where the Spirit of the Lord is
There's a cure
There is healing
Washed in light today

Where the Spirit of the Lord is
There is peace
Holding eternity
Washed in light today
