

# WHAT GRACE DID FOR ME

GRETCHEN MARTIN, JONATHAN BERLIN, ANTON PATZNER

## Verse 1

I fall apart, You pick me up  
I pour out my heart, You fill my cup  
I lose my mind, You put it at ease  
I lock myself up, You set me free

## Chorus

Jesus, come like fire  
Fall like rain  
Fill this burning desire  
To be with You again  
Make my darkest night  
Bathed in light  
Now I finally see  
What grace did for me

## Verse 2

I'm always late, You never leave  
You always know what I am thinking  
I'm terrified of almost everything  
You tell me that I'm under Your wing

## Verse 3

You are my God, Holy and True  
Creator of life, the Giver of Good  
You are perfectly perfect, Oh divinely divine  
Your stars are my wishes, Oh Your heaven is mine
