NEWGEN NEWS

Partnering with parents to help children discover and deepen a relationship with Jesus.

Welcome Parents!

Welcome to the first issue of *NewGen News*; a great place for parents to keep-up with all things NewGen!

At The Church of Eleven22, our heart is to partner with you and your kids so they can discover and deepen a relationship with Jesus Christ. Why do we desire to come alongside you? Because we only have the opportunity to spend 90-minutes with your children each week while you are blessed to have 90+ hours with them!

NewGen News, which will be a quarterly publication, has been developed to keep you informed about our curriculum, what your children are doing when they're with us, when to mark your calendar for special programs and events, as well as topics such as frequently asked questions and parenting tips.

The NewGen team feels blessed to have your family as a part of our church family! We're honored to serve you and your kids this year.

Jonathan Christian, NewGen Director

SIDE NOTE: Interior design studies have shown that this is the perfect accent to any kitchen refrigerator!

DO YOU HAVE QUESTIONS? WE HAVE ANSWERS!

WHAT IS PARENT KICKOFF NIGHT?

If you're a parent of children ages newborn through 6th grade, please join us on August 29th from 6:00-7:30pm at our San Pablo location as Pastor Joby and the NewGen team share the vision for the new school year.

Please don't miss this opportunity to learn more and to meet with other parents. Dinner and childcare will be provided. Please RSVP at coe22.com/kids.

WHAT'S DIFFERENT WITH 5TH AND 6TH GRADERS THIS YEAR?

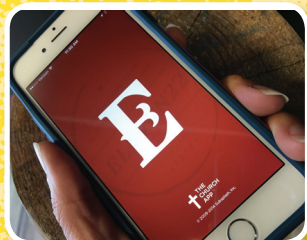

Imagine being a 5th or 6th grade student. You don't quite think you're a kid anymore (even though you are), but you're a little unsure about being with the older students. So, where do you fit in during this transitional period of your life? Serving as a bridge between elementary and middle school, Mix 56 is Eleven22's pre-teen ministry designed to help 5th and 6th graders discover and deepen a relationship with Jesus Christ while having a blast preparing for the next chapter of their lives.

Held in the Kids Space during the 7:22 Thursday service at San Pablo and during the 9:00 and 11:22 Sunday services at San Pablo and Baymeadows.

WHAT ARE MY KIDS LEARNING?

We use The Gospel Project for Kids curriculum. Through this curriculum, your children are immersed in the gospel through every story, theological concept, and call to mission from Genesis to Revelation. Ultimately, the gospel message changes everything and heart transformation can only take place when a child experiences the gospel. Through The Gospel Project, preschoolers and kids will understand the Bible is not just a collection of stories, but one unified story — God's story of redemption. Plus, the curriculum is a lot of fun too!

DOES THE CHURCH APP HAVE INFORMATION ABOUT NEWGEN?

If you download the church app on your phone, you're just a few clicks away from easily accessing all of our Weekly Take Homes designed to give you content, questions, and talking points you can discuss with your children throughout the week. And that's not all! There's lots more information waiting for you so check it out today!

WHAT'S THE NEWGEN CONNECT HUB?

So glad you asked! Right next to our registration area, in the NewGen lobby, we have placed a Connect Hub where parents can pick-up books and resources that coincide with what our preschoolers and kids are learning through The Gospel Project curriculum we're using during each service.

Also, the NewGen Connect Hub is a fantastic place to get answers to any other questions you may have...like upcoming event dates, how and why we do things, etc.
