# NEWGEN NEWS

*Partnering with parents to help children discover and deepen a relationship with Jesus.*

## *Hey Parents,*

I hope that you had a great summer! As we all begin to establish new schedules and move into a new school year, I encourage you to take advantage of this opportunity to establish new rhythms in the discipleship of your children.

Here are some small things you can do to establish these new rhythms:

- Choose to listen and sing worship music while in your car on the way to school, daycare or the babysitter.
- Prioritize prayer before dinner by thanking God for specific blessings from that day.
- Commit to reading a story from an age appropriate Bible at bedtime each night.

I also want to encourage you to mark your calendar for Parent Kickoff Night August 28th at the campus you and your family attends. In an effort to partner with you in the discipleship of your children, this evening will be a time to encourage and equip you as the parents to do just that. Our hope is that it will empower you as you establish the discipleship rhythms in your house. We hope you will join us. Did I mention you don't have to cook that night? Dinner and childcare will be provided!

See you there!

## SERVE WITH NEWGEN KIDS

NewGen Kids Serve Staff help kids discover and deepen a relationship with Jesus Christ each and every week. We disciple children by creating a safe environment, making it fun, and teaching them God's Word. We would love for you to join us in this mission by signing up to serve in NewGen at any of our campuses. See your campus Kids Minister or visit [coe22.com/kids](http://coe22.com/kids) to find out more information.

## JESUS STORYBOOK BIBLE

One way you can disciple your kids throughout the year is by picking up a copy of the Jesus Storybook Bible. This is a great resource to teach your children God's word and to point them to Jesus. They are available at our NewGen resource hubs across all our locations.
